中小學漢源暑期課程簡介

漢源小古文 Hanyuan Classical Chinese Readings

以文言文故事啟迪教學，讓學生在短期內掌握虛詞、實詞、句式等，為今後的文言文學習打下堅實基礎。

We use stories written in Classical Chinese as a means to inspire teaching, allowing students to grasp nominal classifiers, nouns, verbs and sentence structures etc. within a short period of time, laying a solid foundation for future studies of Classical Chinese.

小學銜接課程自2009年開辦至今已十七年，是漢源最受歡迎的暑期課程。此課程為閱讀與寫作相結合的綜合課程，其教學程序、教學方式與漢源恆常班安排一致。旨在幫助學生熟悉訓練模式，做好升班準備。

The primary school bridging program has been offered for 17 years since 2009, making it Han Yuan's most popular summer course. This integrated reading and writing program follows the same teaching procedures and methods as regular term classes. The goal is to help familiarize students with the training model and effectively prepare them for transitioning to the next grade level. The consistency between the bridging course and regular academic year schedule aims to ensure a smooth transition in between the two.
